ABOUT US

The *DeWitt Area Chamber of Commerce* is a non-profit, volunteer organization created to support local businesses and enhance the quality of life throughout the community. The *DeWitt Chamber Foundation* was created to enhance opportunities for residents in the community to pursue their creative and educational goals.

At this time the Chamber Foundation supports two scholarship programs: Skilled Trades and Medical Services. Both of these areas of study provide great opportunities for lucrative and rewarding careers which will ultimately enhance the lives of the recipients and enrich the quality of life in our communities.

There is a tremendous need for skilled and qualified people in all areas of the trades. Electricians, plumbers, carpenters, welders, mechanics just to name a few.

The same is true for medical professionals from EMT's to Doctors. The population is aging and the recent pandemic really showcased the need for skilled and trained medical personnel.

The Foundation has awarded over (30) \$1,000 scholarships to students living or attending high school in Clinton County. We would like to increase these awards; however, it will take your support to make this happen. Due to recent circumstances, fundraising has been limited; however, the need continues to increase.

The Annual Golf Outing is also a great networking event with friends, customers, and business partners.

We hope you will consider joining us for a great afternoon of fun, golf, and networking while supporting the scholarship programs which are so desperately needed.
