## Workplace Safety Training

With the issues we are facing in today's society it is important each business is prepared to deal with a variety of threats from inside or outside your business. I encourage everyone to seek advice from Chief Ferguson if your business is located in the City of DeWitt or Chief Merony if your business is located in DeWitt Township. Both of these Police Officers are willing to visit your business to help you create and implement a plan to keep you and your employees safe when confronted with individuals who may or may not present a threat.

I have personally had two challenging experiences at the Chamber Office in the last week, both quite unsettling, therefore, I can tell you first hand how quickly things can turn sour when people don't feel they are getting what they want. You can contact Chief Ferguson at [bferguson@dewittmi.org](mailto:bferguson@dewittmi.org) or Chief Merony at [mmerony@dewittwp.org](mailto:mmerony@dewittwp.org)

Thank you, Loretta
